

- Order components:
- Items:
 - Quantity
 - Customer information:
 - Name
 - Address
 - Credit card information:
 - Name
 - Number
 - CVC
 - Zip
 - Total

Possible reasons for invalid order:

- The customer information is incorrect (i.e. incorrect address, no credit card payment provided, or credit card doesn't have sufficient funds for purchase)
- The quantity of items for purchase is more than the amount available in stock (i.e. item is out of stock)
